

## **THE INSTITUTIONAL STRATEGIC/ PERSPECTIVE PLAN IS EFFECTIVELY DEPLOYED**

The institutional Strategic/Perspective plan is effectively deployed: The Institute's quality policy is well conveyed from its vision and mission statements. Strategic plan and action plan are designed in such a manner that this quality policy is driven and deployed during every process. Each process is regularly reviewed by a monitoring mechanism. Strategy to develop competences to serve the ever changing needs of the industry & society and strategy to empower the faculty, staff and aspiring engineers with essential technical knowledge and skills: Applying the innovative teaching learning methods such as Cooperative learning, Group discussions, Seminars and Lab Demonstrations. Arranging industrial visits, in-plant trainings and guest lecture for students. Organizing orientation programs, courses related to the curriculum. Use of teaching aids such as Models, Multimedia Presentations, NPTEL video lectures etc. Introduction of online academic monitoring systems - Linways, software to assess and regulate the academic process.

Strategy to implement Green Initiatives in the Campus: With the help of NSS cell of the college, various activities are organized to have a plastic-free campus. Planting trees in the college campus was done by the students as a responsibility towards Mother Nature and a contribution to the initiative of a new campaign "One Student One Tree" during the month of August. The entry of outside vehicles/automobiles into the college campus can be restricted/limited so that the college will be free from air-pollution and accidents can also be avoided to a great extent. This will also encourage the stakeholders to use public transportation system. Protecting the natural water bodies in and around the college campus & proper maintenance of rain water harvesting system is to be implemented. Proper maintenance of waste management system, waste water recycling system & the biogas plant will help the campus to look neat, clean & provide a pleasant feeling.

## **Industrial Visit Activity Report**

### **About Program:**

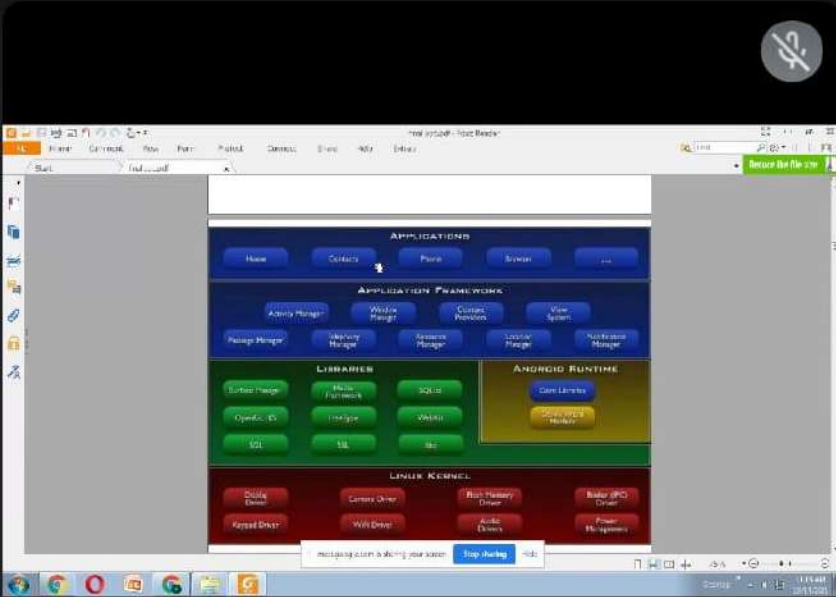

A Industrial Visit for Suman Ramesh Tulsiani Technical Campus students was successfully conducted on 14<sup>th</sup> October 2021. The visit elaborated the students about

- Mobile Application Development (MAD)
- Intro to Android platform.
- Platform architecture.
- Application building blocks
- Development tools
- Hello Android Live Demo

### **Program Outcome:**

1. Students got awareness of Android technologies in market.
2. Students got awareness of how to develop Android Application.

**Subject – Regarding the Blood Donation Camp Activity Report.**

Respected Sir,

This year we are celebrating a 75th Independence Day of our beloved nation. As per the circular received from DTE and Government of Maharashtra, today, that is on 13th Aug. 2022, we have celebrated the Flag Hoisting event and NSS activity "blood donation camp" at our institute.

We got good response for blood donation camp from students as well as faculty members. Respected Principal sir also donated the blood, after donation of blood Resp. Principal sir motivated students to donate the blood.

Time -

1. Flag Hoisting - 08.45 AM - 09.00 AM

2. Blood Donation Camp - 09.30 AM - 02.30 PM

We would like to thank Management and respected Principal sir for continuous support and motivation.

Here are Some Glimpses of event attached herewith for your reference.

Thanking you,

Prof. Sandip S. Deshpande
