Subject:- Approval for AMC of SLIM Software

Respected Sir

I wish to bring to your notice the following important points regarding library:

1. Regularly above 250 students are visiting college and library.
 - A. First year strength-104
 - B. SE Comp-75
SE AIDS- 77
SE Mech- 32
Total = 184
2. Present software purchase date is March 2011 and cost for the same Rs. 1,37,020 / - .
Last AMC did for the software in the year 2018-19
3. However present software is not working. We need to update it as do AMC function it properly.
 - A. We enquired about the call and visit charges with Algorithms consultants. The charges for per visit is Rs. 15000/- (GST 18% extra)
 - B. We also enquired about the telephonic and call basis service which required charge is Rs.10000/- (GST 18% extra). We also discuss with Mr. H S Gaikwad from VIT library, he also recommended us AMC because response on telephonic and call visit is very poor.
 - C. For AMC of software required Charges are 43250+ 18%

As we are facing many software related issues on server as well as client machines, we are strongly recommended for AMC of SLIM software.

This is for your approval and guidance.

Thank you
