

**INDUSTRIAL
ADVISORY BOARD
(IAB)**

1. Title of the Practice

Established Industrial Advisory Board for

2. Objective of the Practice

- To create opportunities for vacation training and sponsored projects for students
- To train faculties for practical industrial knowledge
- To establish industry-institute strong relationship
- To get current working technologies through seminar and workshop
- To guide students for external certification examinations
- To share the best working practices which can be adapted in the college and Improve the working of the college
- To get syllabus related suggestion from experts

3. Context

An Industrial Advisory Board (IAB) is necessary to fortify our programs, educational modules and conveyance methodologies. constitution of an Industrial Advisory Board (IAB) consist delegates from different businesses in this way generating a mechanism for providing precious and valuable inputs to our department.IAB is expected to fill gap between the institute and the industry.It is act as the stage for exhibiting best practices, most recent innovative progressions and their execution. Through IAB, we hope to enhance the quality of technical education effectively and meet the needs of the industry and academia based on cross-fertilization of ideas for systems improvement.

4. The Practices

Department of Computer Engineering SRTTC Khamshet, was planned First Industrial Advisory Board Meeting (IAB) meeting on 11/08/2017. The meet was very important to established industry linkages. The Senior HR managers, HR executives and various industry professionals were the attendedIAB and interacted with academicians other to find the ways to bridge the gap between industries and academia.

Minutes of Industrial Advisory Board (IAB) Meeting held on 15th March 2019 in Computer Engineering Department of SRTTC

Minutes of meeting

To strengthen our programs, curriculum and delivery strategies, we have constituted an Industrial Advisory Board (IAB) for Computer Engineering Department comprising of representatives from various industries thereby generating a mechanism for providing precious and valuable inputs to our department. The IAB meeting was held under the guidance of Prof. Dr. J B Sankpal, Principal, who also is the Member Secretary of the IAB on 21st Feb 2020, between 1.30 pm to 3.30 pm in Computer Dept and the following points were discussed in the meeting.

1) **Respected Principal Prof. (Dr).J. B. Sankpal** welcomed and greeted the Industry advisory board members **Mr Parag Harolikar (Director Trenton Enterprises Pvt. Ltd)**, **Mr Tejas Rawal (Researcher and developer MITU Skillologies)**, **Mr Ganesh Joshi (Senior Embedded and IoT Developer, Prygma Information systems LLP)**, **Mr Saurabh Ravat (CEO i-Medita)**, **Mr Tushar Kute (Work Researcher mITu)** , **Mr Neeraj Ade (Business Manager Profound Edutech)** , **Mr Sagar Vairagar (Technical Lead Sears Holdings)** , **Mr. Swapneel Petkar (Managing Director -Wisdom Sprouts)**, **Onkar D Kotulkar (Anudip foundation)** , and all faculty members and student representative for Industry Advisory Board Meeting and gave the Institute Presentation.

Head of the Department, Prof. Anjali More took the initiative to brief all members on the meeting agenda, emphasizing the importance of open discussion and encouraging suggestions. This approach is essential for collaborative decision-making and ensures that diverse perspectives are considered in shaping the curriculum.

Additionally, Prof. More provided a departmental presentation, shedding light on the structure and course contents prepared by the Computer Engineering Department. This presentation likely covered various aspects such as the overall departmental goals, specific courses offered, and the rationale behind the chosen curriculum structure.

Presentation by **Mr Tejas Rawal (Researcher and developer MITU Skillologies)** suggested the importance of Research to the students. He also appreciated the attempts which our department has made to bring awareness of evolving trends in IT industry amongst the students.

Mr Ganesh Joshi (Senior Embedded and IoT Developer, Prygma Information systems LLP) highlighted the point related to the involvement of students and faculty in innovations. He has appreciated the various technical events organized in department and how the selection of the project ideas for BE project work should be innovative. Also explained how IOT based projects can be useful.

Mr Tushar Kute (Work Researcher mITu) has suggested to give more focus on the recent development of industry and add the contents related to such areas such as IOT, AI, Cloud etc. and also appreciated the department efforts.

Mr Neeraj Ade (Business Manager Profound Edutech) suggested adding content related to new innovative ideas in business etc. in the syllabus. He explored on importance of communication skills and quantitative techniques.

Mr.Swapneel Petkar (Managing Director -Wisdom Sprouts) explored emerging technologies in upcoming years in various fields like Python , Business Intelligence, IOT etc. Also appealed students about doing various courses will help to grow and importance of doing short span internship.

Onkar D Kotulkar (Anudip foundation) elaborated about the Anudip foundation firm and explained in details CSIR funded initiatives for student's technical certification. Discussed about initiation of 420 Hrs. technical certification courses at SRTTC. Anudip will also provide support for placements for outgoing students. Under CSIR initiatives Anudip Foundation promotes institute through CSIR funds for lab development.

During the meeting, the faculty have shown their concern and raised some of the issues regarding the academic activities particularly about the teaching process, curriculum development, project selection and consultancy.

2) **Mr.Aditya Kakade (HR from Bajaj Allianz):-** Explored about Bajaj Allianz telling about products, services, and initiatives he also speak about future in Bajaj Allianz , During the meeting, the Students have shown their concern and raised some of the issues regarding the academic activities particularly about the teaching process, curriculum development, project selection and consultancy and the head of Bajaj Allianz gives solution regarding this.

- 3) Prof.Anjali More appealed to all industry invitees to share their experiences by taking some part of our syllabus under co-teaching. She suggested them to identify the more specific area of the syllabus, where industry person can extend their help by sharing expertise. This gives more practical exposure to students to tackle live problems.
- 4) Two of the student representatives expressed their gratitude towards all the delegates who expressed valuable views and help in all aspects. They also suggested help needed in learning emerging Technologies and communication skills for growth in future in IT industry.
- 5) The meeting is ended with vote of thanks, expressed by Prof.Bhushan Mahajan

Date: 15/03/2023

To,
The Principal
SRTTC Khamshet, Pune

Subject: Permission for organizing Industrial Advisory Board Meeting (IAB) by Department of Computer Engineering in association with Training & Placement Department on 14/03/2019

Respected Sir,

As per the Direction, the Department of Computer Engineering SRTTC Khamshet, Pune has planned to organize Industrial Advisory Board Meeting (IAB) meeting on 14/03/2019. IAB is intended to help to initiate close interaction between the institute and the industry and is serving as the platform for showcasing best practices, latest technological advancements and their implementation. Through IAB, we can improve the quality of technical education and meet the needs of the industry and academia based on sharing of ideas for systems improvement. IAB is useful for bridging the gap between Industry & Academia strengthening the ties. IAB can offer more and more industry relevant courses through curriculum. The Senior Developers, Directors and various Industry Professionals are the attendees for the meeting which will interact with academicians and others to find the ways to bridge the gap between industry & academia.

Following topics will be discussed:-

- Emerging Technologies & Trends
- Industry Expectations and skill sets from students to enhance Employability Skills Gap
- To identify more specific area of the syllabus, where industry person can extend their help
- Innovative Ideas for BE Projects , sponsored projects
- Internship advantages

AGENDA

DEPARTMENT OF COMPUTER ENGINEERING

“IAB meeting of Department of Computer Engineering “

Date: **14/03/2019**

Venue: **Computer Department**

Time: 1.00 pm to 3.00 pm

The agenda for the meeting is as follows

1. Introduction and Welcome to all IAB members.
2. Presentation of the college by Prof. Dr J.B.Sankpal, Principal
3. Presentation of the Computer Engineering Department by Prof. Anjali More, HoD(Computer Engineering)
4. Presentation on the IAB, methodology of working IAB by Prof. Anup Kawathekar
5. Review of Previous Meeting Minutes
6. Announcement of Chairman, IAB
7. Felicitation of the Chairman at the hands of Principal
8. Interaction with Faculty and Students by the IAB members
9. Industry Trends and Insights
10. A brief idea generation about the way forward
11. Vote of thanks by Principal, Prof. Dr J.B.Sankpal

Minutes of meeting

To strengthen our programs, curriculum and delivery strategies, we have constituted an Industrial Advisory Board (IAB) for Computer Engineering Department comprising of representatives from various industries thereby generating a mechanism for providing precious and valuable inputs to our department. The IAB meeting was held under the guidance of Prof. Dr. J B Sankpal, Principal, who also is the Member Secretary of the IAB on 15nd Oct 2021, between 1.30 pm to 3.30 pm in Computer Dept and the following points were discussed in the meeting.

1) **Respected Principal Prof. (Dr).J. B. Sankpal** welcomed and greeted the Industry advisory board members **Mr Aditya Kakade (HR. of Bajaj Alianz)**, **Mr Parag Harolikar (Director Trenton Enterprises Pvt. Ltd)**, **Mr Tejas Rawal (Researcher and developer MITU Skillologies)**, **Mr Ganesh Joshi (Senior Embedded and IoT Developer, Prygma Information systems LLP)**, **Mr Saurabh Ravat (CEO i-Medita)**, **Mr Tushar Kute (Work Researcher mITu)** , **Mr Neeraj Ade (Business Manager Profound Edutech)** , **Mr Sagar Vairagar (Technical Lead Sears Holdings)** , **Mr. Swapneel Petkar (Managing Director - Wisdom Sprouts)**, **Onkar D Kotulkar (Anudip foundation)** , and all faculty members and student representative for Industry Advisory Board Meeting and gave the Institute Presentation.

Head of the Department, Prof. Anjali More took the initiative to brief all members on the meeting agenda, emphasizing the importance of open discussion and encouraging suggestions. This approach is essential for collaborative decision-making and ensures that diverse perspectives are considered in shaping the curriculum.

Additionally, Prof. More provided a departmental presentation, shedding light on the structure and course contents prepared by the Computer Engineering Department. This presentation likely covered various aspects such as the overall departmental goals, specific courses offered, and the rationale behind the chosen curriculum structure.

Presentation by **Mr Tejas Rawal (Researcher and developer MITU Skillologies)** suggested the importance of Research to the students. He also appreciated the attempts which our department has made to bring awareness of evolving trends in IT industry amongst the students.

Mr Ganesh Joshi (Senior Embedded and IoT Developer, Prygma Information systems LLP) highlighted the point related to the involvement of students and faculty in innovations. He has appreciated the various technical events organized in department and how the selection of the project ideas for BE project work should be innovative. Also explained how IOT based projects can be useful.

Mr Tushar Kute (Work Researcher mITu) has suggested to give more focus on the recent development of industry and add the contents related to such areas such as IOT, AI, Cloud etc. and also appreciated the department efforts.

Mr Neeraj Ade (Business Manager Profound Edutech) suggested adding content related to new innovative ideas in business etc. in the syllabus. He explored on importance of communication skills and quantitative techniques.

Mr.Swapneel Petkar (Managing Director -Wisdom Sprouts) explored emerging technologies in upcoming years in various fields like Python , Business Intelligence, IOT etc. Also appealed students about doing various courses will help to grow and importance of doing short span internship.

Onkar D Kotulkar (Anudip foundation) elaborated about the Anudip foundation firm and explained in details CSIR funded initiatives for student's technical certification. Discussed about initiation of 420 Hrs. technical certification courses at SRTTC. Anudip will also provide support for placements for outgoing students. Under CSIR initiatives anudip Foundation promotes institute through CSIR funds for lab development.

During the meeting, the faculty have shown their concern and raised some of the issues regarding the academic activities particularly about the teaching process, curriculum development, project selection and consultancy.

2) **Mr.Aditya Kakade (HR from Bajaj Allianz):-** Explored about Bajaj Allianz telling about products, services, and initiatives he also speak about future in Bajaj Allianz , During the meeting, the Students have shown their concern and raised some of the issues regarding the academic activities particularly about the teaching process, curriculum development, project selection and consultancy and the head of Bajaj Allianz gives solution regarding this.

- 3) Prof.Anjali More appealed to all industry invitees to share their experiences by taking some part of our syllabus under co-teaching. She suggested them to identify the more specific area of the syllabus, where industry person can extend their help by sharing expertise. This gives more practical exposure to students to tackle live problems.
- 4) Two of the student representatives expressed their gratitude towards all the delegates who expressed valuable views and help in all aspects. They also suggested help needed in learning emerging Technologies and communication skills for growth in future in IT industry.
- 5) The meeting is ended with vote of thanks, expressed by Prof. Jyotsna Barpute

Subject: Permission for organizing Industrial Advisory Board Meeting (IAB) by Department of Computer Engineering in association with Training & Placement Department on 15/10/2021

Respected Sir,

As per the Direction, the Department of Computer Engineering SRTTC Khamshet, Pune has planned to organize Industrial Advisory Board Meeting (IAB) meeting on 15/10/2021. IAB is useful for bridging the gap between industry and institute. The meeting is very important to establish industry linkages. Such meetings play a crucial role in fostering collaboration between industry and academia, ensuring that educational programs align with industry needs. Explore potential collaboration opportunities between the industry and the institute, such as internships, joint projects, or sponsored research.

Following topics will be discussed

- Evolving Talent Trends
- Evolving Curriculum Enhancement
- Explore opportunities for sponsored research and innovation.
- Skill Requirements and Competencies
- Corporate Expectations from Campus Talent
- Emerging technologies and their impact on the industry.

Prof. Anjali More

Delegates Profile

Name of the Delegate:	Dr. Dattatraya Parle
Company Name:	Infosys Limited, Pune
Designation:	Principal Consultant
Area of Specialization :	High Performance Computing Virtual Reality and Augmented Reality Software and Process Automation

Name of the Delegate :-	Rajat Gupta
Company Name:-	Centre for Development of Advanced Computing Pune
Designation:	Sr. Technical Officer (Team Lead)
Area of Specialization	Localisation (L10N), Internationalisation (I18N), Globalisation (G11N), Crowdsourcing, Localisation Frameworks, Software Development, Research.

Name of the Delegate :-	Mr Tejas Rawal
Company Name:-	MITU Skillologies
Designation:	Researcher and Developer
Area of Specialization	Linux, System Apps in Shell Programming, Data Science in Python.

Name of the Delegate :-	Parag Harolikar
Company Name:-	Trenton Enterprises Pvt. Ltd.
Designation:	Co-Founder and Director
Area of Specialization	Internet of Things, Business and Strategy Consulting, Innovation, New Product Development.

Detailed Activity Report

CERTIFICATE OF COMPLETION HAS BEEN PRESENTED TO

NIKITA SANJAY NEVASE

FOR SUCCESSFULLY COMPLETING THE "MERN WEB DEVELOPMENT" CRASH COURSE AT WISDOM SPROUTS IT TRAINING HUB, PUNE. FROM "1ST FEBRUARY 2023" TO "24TH FEBRUARY 2023" HIS/ HER PERFORMANCE HAS BEEN SATISFACTORY SO AS TO FULFILL THE REQUIREMENTS FOR SUCCESSFUL COMPLETION OF THE TRAINING.

IN TESTIMONY THEREOF, THIS CERTIFICATE IS AWARDED ON THE 27TH OF FEBRUARY, 2023

MR. SWAPNEEL PETKAR
(MANAGING DIRECTOR, WISDOM SPROUTS)

Minutes of Industrial Advisory Board (IAB) Meeting held on 17th March 2023 in Computer Engineering Department of SRTTC

Minutes of meeting

To strengthen our programs, curriculum and delivery strategies, we have constituted an Industrial Advisory Board (IAB) for Computer Engineering Department comprising of representatives from various industries thereby generating a mechanism for providing precious and valuable inputs to our department. The IAB meeting was held under the guidance of Prof. Dr. J B Sankpal, Principal, who also is the Member Secretary of the IAB on 17th March 2023, between 1.30 pm to 3.30 pm in Computer Dept and the following points were discussed in the meeting.

1) **Respected Principal Prof. (Dr).J. B. Sankpal** welcomed and greeted the Industry advisory board members **Mr Rajat Gupta (Sr. Technical Officer (Team Lead) CDAC)**, **Mr Parag Harolikar (Director Trenton Enterprises Pvt. Ltd)**, **Mr Tejas Rawal (Researcher and developer MITU Skillologies)**, **Mr Ganesh Joshi (Senior Embedded and IoT Developer, Prygma Information systems LLP)**, **Mr Saurabh Ravat (CEO i-Medita)**, **Mr Tushar Kute (Work Researcher mITu)** , **Mr Neeraj Ade (Business Manager Profound Edutech)** , **Mr Sagar Vairagar (Technical Lead Sears Holdings)** , **Mr. Swapneel Petkar (Managing Director -Wisdom Sprouts)**, **Onkar D Kotulkar (Anudip foundation)** , and all faculty members and student representative for Industry Advisory Board Meeting and gave the Institute Presentation.

2) **Head of the Department, Prof. Anjali More** briefed the meeting agenda to all members and appealed to all committee members for open discussion and suggestions on curriculum contents. Also gave Department presentation and threw the lights on the structure and course contents prepared by Computer Engineering Department.

3) Presentation by **Mr Tejas Rawal (Researcher and developer MITU Skillologies)** suggested the importance of Research to the students. He also appreciated the attempts which our department has made to bring awareness of evolving trends in IT industry amongst the students.

4) **Mr Ganesh Joshi (Senior Embedded and IoT Developer, Prygma Information systems LLP)** highlighted the point related to the involvement of students and faculty in innovations. He has appreciated the various technical events organized in department and how the selection of the project ideas for BE project work should be innovative. Also explained how IOT based projects can be useful.

5) **Mr Saurabh Ravat (CEO i-Medita)** has appreciated the efforts taken by College to implement the industry oriented programmers for students. He discussed about the imparting of essential knowledge to faculty members so that they can share it with students effectively. **Mr. Saurabh Ravat** sir has suggested adding interdisciplinary courses right from the first year in the curriculum.

6) **Mr Tushar Kute (Work Researcher mITu)** has suggested to give more focus on the recent development of industry and add the contents related to such areas such as IOT, AI, Cloud etc. and also appreciated the department efforts.

7) **Mr Neeraj Ade (Business Manager Profound Edutech)** suggested adding content related to new innovative ideas in business etc. in the syllabus. He explored on importance of communication skills and quantitative techniques.

8) **Mr Sagar Vairagar (Technical Lead Sears Holdings)** suggested online teaching will help to give more hands-on experience to students to improve the employability of the student. Small innovations and optimization is mantra for success.

9) **Mr. Swapneel Petkar (Managing Director - Wisdom Sprouts)** explored emerging technologies in upcoming years in various fields like Python, Business Intelligence, IOT etc. Also appealed students about doing various courses will help to grow and importance of doing short span internship.

10) **Onkar D Kotulkar (Anudip foundation)** talked about the firm and various ongoing courses and explored the importance of doing the latest courses and internship.

11) During the meeting, the faculty have shown their concern and raised some of the issues regarding the academic activities particularly about the teaching process, curriculum development, project selection and consultancy.

12) Prof. Anjali More appealed to all industry invitees to share their experiences by taking some part of our syllabus under co-teaching. She suggested them to identify the more specific area of the syllabus, where industry person can extend their help by sharing expertise. This gives more practical exposure to students to tackle live problems.

13) The meeting is ended with vote of thanks, expressed by Prof. Renu Dandge.

14) Two of the student representatives expressed their gratitude towards all the delegates who expressed valuable views and help in all aspects. They also suggested help needed in learning emerging Technologies and communication skills for growth in future in IT industry.

Prof. R.R.Dandge
Event Coordinator

Prof. A.S. More
HOD

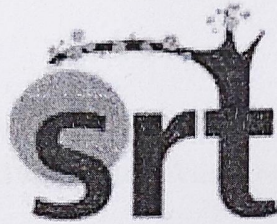

Prof (Dr.) J.B Sankpal
Principal

Outcome of the Program

- a) Guidance for Curriculum Development
- b) Guidance for research and consultancy related activities
- c) Guidance for Future Initiatives and Opportunities
- d) Guidance for teaching learning activity
- e) Strategic Planning towards market trends, technological advancements, and potential areas for growth.
- f) Guidance for laboratory development
- g) Help towards student's projects, internships and placements
- h) Sharing the best practices which can be adapted at the institute
- i) Specialized training of faculty at the institute.
- j) Guidance for external certification
- k) Help for sponsored projects

Minutes of Meeting

Industrial Advisory Board

Held on

15th March 2019

Department of Civil Engineering

**Minutes of 2nd Industrial Advisory Board (IAB) Meeting held on
15th March 2019 in Civil Engineering Department of SRTTC**

The 2nd meeting of IAB was held under the guidance of Prof. Dr. J B Sankpal, Principal, who will also act as the Member Secretary of the IAB. Prof. N. N. Jadhav welcomed all the members and invitees. Flowers were offered at the hands of the Head of the department (Civil Engineering).

Meeting was attended by the following members and invitees.

Sr. No.	Name of the Person	Designation	Name of Company	Designation in IAB
1.	Mr. Ishwar Gosavi	Founder and CEO	Vighnaharta Constructions, Lonavala, Pune	Chairman
2.	Mr. Apoorva Kotkar	Founder and CEO	Apporva Kotkar & Associates, Lonavala, Pune	Member
3.	Prof. Kishor Tapaskar	Vice Principal	Suman Ramesh Tulsiani Tech. Campus - Faculty of Engineering, Kamshet	Member
4.	Prof. N. N Jadhav	HOD, Civil Dept.	Suman Ramesh Tulsiani Tech. Campus - Faculty of Engineering, Kamshet	Member
5.	Mr. Shubham M. Satpute	Student	Suman Ramesh Tulsiani Tech. Campus - Faculty of Engineering, Kamshet	Member

The agenda for the meeting was as follows:

1. Introduction and welcome of all IAB member
2. Presentation of the college by Prof Dr J B Sankpal, Principal
3. Presentation of the Civil Engineering Department by Prof. N. N. Jadhav, Head of Department
4. Presentation on the IAB, methodology of working IAB
5. Announcement of Chairman, IAB
6. Felicitation of the Chairman at the hands of Principal
7. Interaction with Faculty and Students by the IAB members
8. A brief idea generation about the way forward
9. Thanks giving by Vice Principal Prof Kishor Tapaskar.

Minutes of meeting

Most of the members expressed need for improvement on soft skills for the students including English Language training. Need was felt to improve awareness of students on multiple dimensions (behavioral, ethical, practical, exposure to different areas using on-line / Professional development courses, etc). Besides academics, this will improve the employability of students.

Innovation, entrepreneurship, ethics and process / information on getting an IP right etc. can be incorporated as extended scope or through guest lectures.

A brief idea generation about the way forward

The members expressed their views on the working and result oriented idea generation and implementation

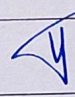

Mr. Ishwar Gosavi, the chairman of the IAB, suggested that the best practices need to be shared both ways and the students should be involved into Mini projects, Internships and Seminars, suggested by the faculty.

Mr. Apoorva Kotkar suggested to take up industry projects individually and modular in form. This will help each student to get involved in the individual project work.

Thanks giving by Vice Principal Prof. Kishor Tapaskar

Prof. Kishor Tapaskar Thanks all the IAB members to have devoted their precious time for the college and the invitees who were present for the meeting.

Meeting was attended by the following members and invitees.

**Minutes of 2nd Industrial Advisory Board (IAB) Meeting held
on 18th March 2019 in DESH Department of SRTTC**

The 2nd meeting of IAB was held under the guidance of Prof. Dr. J B Sankpal, Principal, who will also act as the Member Secretary of the IAB. Prof. S. B Patil welcomed all the members and invitees. Flowers were offered at the hands of the Head of the department (DESH).

Meeting was attended by the following members and invitees.

Sr. No	Name of the Person	Designation	Name of the Company	Designation in IAB
1	Mr. Anand Dharme	Solution Architect	Tech Mahindra, Pune	Chairman
2	Mr. Bhaskar Patil	Executive Director	Trimurti Enterprises	Member
3	Mr. Suresh Suryawanshi	Founder and CEO	Venkatesh Enterprises	Member
4	Prof. S. B. Patil	Head of Dept., Desh Dept	SRTTC FoE	Member
5	Prof. J. S. Garud	Assistant Professor Desh Dept	SRTTC FoE	Member
6	Ms. Garud Sakshi	Student	SRTTC FoE	Member

7	Mr. Nanavare Rohit.	Student	SRTTC FoE	Member
---	---------------------	---------	-----------	--------

The agenda for the meeting was as follows:

- Introduction and welcome of all IAB member
- Presentation of the college by Prof Dr J B Sankpal, Principal
- Presentation of the DESH Department by Prof. S.B.Patil Head of Department
- Presentation on the IAB, methodology of working IAB
- Announcement of Chairman, IAB
- Felicitation of the Chairman at the hands of Principal
- Interaction with Faculty and Students by the IAB members
- A brief idea generation about the way forward
- Thanks giving by Prof S.B.Patil

Minutes of meeting

Most of the members expressed need for improvement on soft skills for the students including English Language training. Need was felt to improve awareness of students on multiple dimensions (behavioral, ethical, practical, exposure to different areas using on-line / Professional development courses, etc). Besides academics, this will improve the employability of students.

Innovation, entrepreneurship, ethics and process / information on getting an IP rightetc. can be incorporated as extended scope or through guest lectures.

A brief idea generation about the way forward

The members expressed their views on the working and result oriented idea generation and implementation

Mr Anand Dharme , the chairman of the IAB, suggested that the best practices need to be shared both ways and the students should be involved into Mini projects and Seminars, suggested by the faculty. He also suggested projects for BE students to be assigned by Industry personnel. These projects being live, real time, will help the students to be updated with the latest trends.

Mrs Suresh Suryawanshi suggested taking up a methodology of research and development. This method will help faculties and students for their improvement. This idea was backedby every member of the IAB

Thanks giving by Prof S B patil

Prof S. B. Patil Thanks all the IAB members to have devoted their precious time for the college and the invitees who were present for the meeting.
