---	---------------------------------	---------------------------------------

Date: 04/09/2020

To,
The Principal,
SRTTC-FOE,
Kamshet, Pune.

Sub.: Faculty Induction Program

Respected Sir,

Suman Ramesh Tulsiani Technical Campus (VIT Khamshet) Department of Civil Engineering was organized Faculty Induction Program for newly joined faculty members. Faculty Induction Program conducted by Prof. Parvin M. Thorat (Head, Department of Civil Engineering) and Prof. Chetan R. Yeole (Departmental Academic Coordinator). Induction program consists of two sessions. First session delivered by Prof. Parvin M. Thorat, who express his expertise about importance of Teaching Learning Methodologies. Second session delivered by Prof. Chetan R. Yeole, who explained about various Accreditation Committee like ISO, NACC, etc. along with process followed for all documentary activities. Newly joined faculty members enjoyed Induction Program with great enthusiasm.

Induction Program was conducted on **Friday, 04/09/2021**. Sessions will conduct from 12:00 pm to 02:00 pm. Faculty Induction Program is arranged through Google Meet.

Faculty view on Induction Program:

1. To understand various resources required while teaching & learning.
2. To know the academic processes required to follow for accreditation committees like ISO, NACC, etc.
3. To get knowledge about personality development and skills required while teaching learning process.

We are always thankful to our honorable institute management, Prof. (Dr.) J. B. Sankpal, Principal for their support, guidance and motivation to all of us.

No. of Beneficiaries: 02

Faculty Coordinator: Prof. Chetan R. Yeole.

Yours faithfully,

Induction Program Coordinator

Profile of Wisdom Sprouts

Wisdom Sprouts, registered under Kavyata Training LLP and Voracii Wisdom Solutions Private Limited stands out to be one of the fastest growing platforms in Training and Development in India and abroad. She has a stack of **45 employees** expert in both development and delivering trainings on technologies like **Big Data Hadoop, Spark, MongoDB 3.2, PHP 5, HTML 5, CSS 3, AngularJS, MySQL, PostgreSQL, Cassandra, Python, R programming and Pentaho**. Wisdom Sprouts is the only place where you get **guarantee on feedback** and she's the only one who offers immediate refunds if you are not satisfied with the trainer post the very first session of any of your trainings. Wisdom Sprouts was the first institute to promote Big Data Hadoop in Colleges across Pune around year 2015 and one of the first ones to deliver trainings on MongoDB and Data Analytics. She is the only one who took initiative along with **RMD School of engineering** to promote final year's students to build their own projects instead of buying them. With all this expertise and dedication Wisdom stands as one of the best institutes to watch out for in India around this year. This is where you don't learn, this is where you flourish.

- More than 5000 Students Trained
- More than 2000 Jobs Supported
- More than 45% Placement Ratio
- More than 4.5 Average Feedback out of 5
- Connected with around 25 Colleges
- Client base of around 15 Companies
- MOU with 5 Colleges
- Connected with 8 Placement Agencies
- Awarded as Top 10 Big Data Training Institutes in India
- Technology Partner of MongoDB
- Reseller Partner of IBM
- Happy Customers & Students from India and other countries like US, UK, Germany, Netherlands and Nigeria

Benefits of MOU:

1. Computer Department of Suman Ramesh Tulsiani Technical Campus Faculty of Engineering, Khamshet and Wisdom Sprouts, Pune, believe that close co-operation between the two would be of major benefits to the student community to enhance their skills and knowledge and would act as platform in bridging the gap between academia and industry.
2. Interaction of Wisdom Sprouts, Pune and the Department of Computer, will give an insight in to the recent developments/ requirements of the industries. Hence, the students can be equipped to meet tomorrow's challenges present in the real world.
3. Wisdom Sprouts, Pune and the Department of Computer tie up will build confidence and prepare the students to have a smooth transition from academia to industry.
4. To have joint meetings with faculty of the Department of Computer and staff of Wisdom Sprouts, Pune to discuss on various topics, to have interdisciplinary design and establishment of working modules and the curriculum requirements relating to the industries.
5. Wisdom Sprouts, Pune shall give a few real time projects related to the MongoDB and Hadoop that can be done by student and faculty.
6. To guide the students to make the projects by utilization of the training in both premises.
7. To provide specific training requirements for students in the latest technological fields and related software developments.
8. To provide forums like workshop and short term training courses.

Role & responsibilities of each party will be as under:

Suman Ramesh Tulsiani Charitable Trust's

SUMAN RAMESH TULSIANI TECHNICAL CAMPUS - FACULTY OF ENGINEERING

Approved by All India Council for Technical Education, Recognized by Govt. of Maharashtra
Affiliated to Savitribai Phule Pune University and Maharashtra State Board of Technical Education

MOU between Company & Colleges For the Technical Development of Student

Vision: To provide industrial & research projects to students during their academics for technical enhancement & to have experience of Industrial environment & development lifecycle at academics.

Mission:

- 1) Establish Cooperative relationship between College and Industry
- 2) Enable students to face industrial projects at their academics
- 3) Empower students with best training of any technology they interested
- 4) Enrich students with best development facts required for project
- 5) Enhance student's skills for any kind of project to make stand in IT environment
- 6) Escape with best product to make own identity in IT Market

Prerequisite from College:

- 1) We will select Min. 20 students from Engineering College with whom we have MOU or Tie up for Technology Training & Sharing.
- 2) Students will be selected mostly from TE or BE of Computer /IT/ ENTTC branch.
- 3) Staff members can be part of team.
- 4) Our Trainers/Developers mostly available on Sat/Sunday to train students. They will provide weekly task to them, but sometimes it may not be possible for our team to attend, so guides have to help students with any problems. Also if possible our Developers will assist them by Video Conferencing, via. Skype and Team viewer.
- 5) Students enrolled are intern only and are not employee of Prygma or Joint Venture which formed by college and Prygma.
- 6) If any second year student selected for project but unfortunately if he/she fails in academics. With college permission he/she will work full time for project
- 7) Meanwhile any of candidate left contract by the policy he/she not permitted to work again with us.
- 8) It is not mandatory to work with team, if has issues of any kind he/she work from home subject to complete what task given to him/her.
- 9) Students only get internship letter/certificate & not experience certificate according code of conduct. But after completion of degree as soon as he/she get final year result their experience will counting continue from date he/she start working full time if and only if he/she want to continue work with Company/Joint Venture
- 10) There is no any kind of bond or contract if there is no any project to work upon. But they will have internship letter from company as they finalized as interns.
- 11) Students have to only sign the confidentiality agreement so that any research or property of the company should not be disclose outside.
- 12) Students are not bound by any means. If they got placed with any company during academics, they can join subject to complete the project in which they are working and it is also again not mandatory but need to continue mutual relations.
- 13) Joint Venture if any form between Company and College, both have equally stakes in it. With mutual understanding we can add other Members/Students/Venture Investors etc.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MOU") is made on 1st day of December, 2016.

Between

Profound Edutech Pvt Ltd, a company registered under the Companies Act, 1956 and having its head office at 2nd Floor, Butte Patil Complex, Dashbhuja Ganpati, Karve Road, Pune-411038, Maharashtra, India (hereinafter called "**PROFOUND**" which expression unless it be repugnant to the subject or its context includes their successors and assigns) of the FIRST PART

And

Suman Ramesh Tulsiani Technical Campus, Faculty Of Engineering, Khamshet, Maharashtra, India (hereinafter called "**SRTTC**" which expression unless it be repugnant to the subject or its context includes their successors and assigns) of the SECOND PART.

(PROFOUND and SRTTC are hereinafter individually referred to as "**Party**" and collectively referred to as "**Parties**")

Terms and Conditions:

1. Duration:

This MOU shall be valid for three (3) year from the effective date and thereafter it may be renewed on mutually agreed terms.

2. Purpose:

This MOU is for collaboration between the parties for mutual benefit for the purpose of providing high end IT, Non IT and Soft skills training to the students of, "SRTTC" in order to enhance the knowledge & employability of the students of the SRTTC.

3. SRTTC shall provide:

SRTTC shall extend reasonable efforts as follows:

- SRTTC shall provide their Engineering students for training, either at their own campus or at any of the PROFOUND center.
- SRTTC shall provide the basic infrastructure like Computers, Labs, Class rooms, Electricity, UPS, Projectors and Internet etc. as may be required for the purpose of attainment of objective / purpose as stated above.
- SRTTC shall provide all the software necessary for the same.
- SRTTC shall assist Profound to make necessary arrangements for a comfortable stay (in case required) of PROFOUND trainer/s for the duration of the batch for any training.

- SRTTC will share the database of the students with PROFOUND for the adequate promotion of the courses, providing placement assistance and other value added support.
- SRTTC will ensure availability of students to complete the training as per the planned and agreed schedule and all changes in the schedule will be only after the consent of both the parties.
- SRTTC will ensure the payment to PROFOUND as per the mutually agreed schedule.

4. PROFOUND Standards of Performance:

- PROFOUND shall provide competent faculties for the conduct of all the agreed trainings at SRTTC or at PROFOUND training center.
- PROFOUND shall provide study material / courseware to the students of SRTTC enrolled for trainings.
- PROFOUND shall provide certificate of participation / completion to the students enrolled for training and attending it completely.
- PROFOUND will try and extend its support to conduct few sessions in the technical/HR seminars arranged by Industry Experts wherein all the expenses have to be borne by SRTTC.

5. Mutual Obligations:

- Both the parties shall appoint one person as single point of contact for smooth execution of the MOU.
- This collaboration shall not be exclusive to both parties and shall not disallow each party from having similar collaboration with others. Except as expressly stated in this MOU, there shall be no obligation on any party to compensate the other in any manner or to make any claim.
- Each party shall respect the other's intellectual property and shall use any trade name, trade mark, logo, symbol or designation belonging to the other party in accordance with this MOU.
- Nothing contained in this MOU shall be construed as resulting in the creation of a relationship of employer and employee or principal and agent between PROFOUND and SRTTC. PROFOUND / SRTTC is not authorized to make any representation, contract, or commitment on behalf of SRTTC / PROFOUND without the prior written consent of other party.
- Both parties shall take all reasonable steps to ensure the successful completion of the collaboration and shall cooperate with each other in performance of their respective obligations.

6. Limitation and Warranties:

- Each party shall ensure that the other is not put to any liability for any act of the respective party under this MOU.
- Each party represents that they have full power and authority to enter into this MOU in general.

7. General:

- Both the parties may receive information proprietary to other party (the "Confidential Information") in the course of performance of their obligations under this MOU. Confidential Information is not meant to include any information which (a) is publicly available (b) is rightfully received by the parties from third parties without accompanying secrecy obligations; (c) is already in either party's possession and was lawfully received from sources other than the parties or (d) is independently developed by the parties. The two bodies understand and acknowledge that the Confidential Information is valuable and confidential and agrees that it will at all times be kept in trust, to be disclosed only to such persons as have a "need to know" the same for the effective implementation of this MOU and that it will only be used by the parties for the benefit of others.
- Both the parties understand and agrees that all written or other tangible data and documentation developed or procured by the other party in performing its obligations under this MOU, whether in printed or electronic form, belongs to other party and that other party will have all rights, title and interest therein.
- Both parties shall not use the name and brand of the other party in any advertisement or make any public announcement without the prior written approval of the other.
- Each party shall be at liberty to terminate this MOU with a written notice period of three (3) month to the other party without any compensation and seeking legal redress.
- **Arbitration:**

I: Any and all disputes or differences between PROFOUND and SRTTC arising out of or in connection with this MOU or its performance shall, so far as it is possible, be settled by negotiations between the Parties amicably through consultation.

II. Any dispute or difference arising out of or in connection with this MOU, which are not amicably settled as aforesaid, shall be resolved and decided by a Sole Arbitrator to be appointed by PROFOUND in accordance with the provisions of Arbitration and Conciliation Act, 1996 or any amendment thereof. The language of arbitration shall be English and the place of arbitration shall be at Pune only.

III. Each Party shall bear and pay its own costs and expenses in connection with the arbitration proceedings unless the arbitrators direct otherwise.

- **Jurisdiction:**

The court as defined in Arbitration and Conciliation Act, 1996 shall be Courts at Pune only.

- **Indemnification :**

Both the parties shall indemnify and hold each other harmless from and against any claim, loss, liability, or expense, including, but not limited to, damages, patent and trademark infringement, costs and attorneys' fees, arising out of or in connection with any acts or omissions of their agents or employees.

- **Modification :**

Any changes in implementation procedures which are not as per the present MOU, will be discussed and will be incorporated in agreement with two parties. The Annexure attached will be the guiding principle for the MOU.

- **Copyrights and Ownerships:**

- All the course material / courseware / books and such other training material provided by PROFOUND and allowed for distribution are its sole property (hereinafter referred as "Training Material").
- SRTTC and / or its employees, consultants etc. shall not claim ownership of such course material / courseware / books etc. or its customization.
- Intellectual Property Rights i.e. copyrights, trademarks, patents etc. of Training Material, any changes, enhancements, upgrades, customization etc. shall always remain with PROFOUND.
- Any changes in implementation procedures which are not as per the present MOU, will be discussed and will be incorporated in agreement with two parties.

IN WITNESS WHEREOF, to show their assent, the duly authorized representative of the parties hereto have signed the Agreement and set their seals as below:-

This Memorandum of Understanding (MOU) is made and entered into on 7th August 2019, at Pune, BY AND BETWEEN, **Lomte & Darade Infotech**, a company having its registered office at Shrustri Apartment, Vetal Buwa chowk, Narhe, Pune, Maharashtra 411041,(hereinafter referred to as **L & D Infotech**, which expression shall, unless repugnant to the context or meaning thereof, mean and include its successors and assigns); **SRTTC**(here in after, which expression shall, unless repugnant to the context or meaning thereof, mean and include its successors and permitted assigns)

L & D Infotech and the **SRTTC** are here in after referred collectively as “Parties” and individually as “Party”.

About: L & D Infotech

L & D Infotech Pvt. Ltd, registered under the Government of India Ministry of Corporate Affairs stands out to be one of the fastest growing platforms in Training and Development in India. It has a stack of 10 employee’s expert in both development and delivering trainings on technologies like Python; Machine learning, Data science, Web development, Java, Android, Software Defined Network, Computer Network etc. **L&D Infotech** is a leader in Software Development and empowers IT individuals with competitive advantage. **L & D Infotech Pvt. Ltd** is a leading software company which has collaborations with many software industries/firms in Pune. **L&D Infotech** is a high end full service IT solution Company based in India

About: SRTTC

SRTTC has its registered office At Kamshet .Suman Ramesh Tulsiani Technical Campus - Faculty of Engineering (SRTTC) was established in 2012 by Suman Ramesh Tulsiani Charitable Trust (SRTCT), Mumbai, Maharashtra, in order to produce engineering graduates capable of accepting challenges in the new environment of technical advancements. It was formally inaugurated by Prof. (Dr.) Snehalata Deshmukh, Vice-chancellor, and Mumbai University. During past six years SRTTC has developed into an institute recognized amongst few top ranking engineering colleges in Pune, Maharashtra, India and is certified as ISO 9001:2015 certified institute and also Accredited by NAAC with 'B+' Grade. It is Approved by AICTE and DTE Maharashtra, Affiliated to S.P.P.U. and M.S.B.T.E.

Objective of this MOU

1. MOU is for the purpose of enriching the technical education in new subject areas, teaching- learning process and to jointly work for enhancing the quality of education being imparted to Computer Science, and Engineering students.
2. MOU is to enhance the quality of the technical education for students to enable them to meet the industry needs and to be recognized globally.

Scope of Work - L & D Infotech Pvt. Ltd.

1. Faculty/Student Development program.
2. Sponsor UG projects.
3. Internship/Industrial Training of Students & Staff.
4. Technical Guidance for Lab Developments & Setups.
5. Provide a platform for academicians for research and consultancy work at their premises.
6. Sharing Industry oriented-courseware and Technology to create an industrial awareness among students / teaching faculties

Scope of Work – SRTTC

SRTTC agrees to provide *L & D Infotech* facilities such as classrooms & other required infrastructure, including but not limited to, projector, screen, Internet, Audio/visual facility, flip charts and markers to give training to the students.

SRTTC shall provide sufficient advance notice to **L & D Infotech** regarding any examination dates, vacation or other holidays when classes will not happen. I²IT or any other person is not allowed to carry out any sort of video recordings of the training conducted by the **L & D Infotech** at the SRTTC premises.

1. All payments shall be made by NEFT/DD/Cheque(s) in favour of “*Lomte & Darade Infotech Pvt. Ltd*”.
2. All invoices shall be raised in favour of SRTTC.

Obligation of Work – L & D Infotech

Either Party shall not use logos, trademarks, trade names or intellectual property of other Party for any other purpose as enshrined under this MOU without prior written approval from other Party.

1. Either Party shall ensure that nothing is done or omitted to be done by them which may affect the reputation of other Party or its intellectual property.
2. The Parties hereto agree that they are independent contractors. Nothing contained herein shall construe either Party as an agent, legal representative, partner, subsidiary or employee of the other.
3. Each party shall be at liberty to terminate this MOU with a written notice period of 60 (sixty) days / (2) months to the other party without any compensation and seeking legal redress.
4. In case of termination of this MOU, L & D Infotech agrees to fulfil their commitments towards the enrolled students and to complete the remaining training for the particular semester.
5. All claims, disputes, differences or disagreements of whatsoever nature arising out of, in connection with or in relation to this MOU whether during its term or after expiry thereof or prior termination, shall be finally decided by arbitration to be held in accordance with the provisions of the Arbitration and Conciliation Act, 1996 in force as at the date of the invocation of the arbitration. Parties mutually agree to refer their disputes to the sole arbitration of a mutually agreed person, whose decision and award shall be final and binding between the Parties. The venue of arbitration shall be Pune, Maharashtra.

6. Courts in Pune shall have exclusive jurisdiction to settle all disputes and differences arising out of this MOU, whether during its term or after expiry / earlier termination thereof.
7. Both the Parties shall indemnify and hold each other harmless from and against any claim, loss, liability, or expense, including, but not limited to, damages, patent and trademark infringement, costs and attorneys' fees, arising out of or in connection with any acts or omissions of their agents or employees.
8. Any notice/letter/correspondence either through registered post/courier/fax shall be delivered /served at the business address of the Parties.
9. Each Party shall bear its own legal, and other costs, charges and expenses connected with the negotiation, preparation and execution of this MOU or any other agreement incidental to or referred to in this MOU.
10. This MOU may not be amended or modified except by an instrument in writing signed only by the authorised signatories on behalf of both the Parties. In witness whereof, both Parties put their hard seal on the day, month and year herein mentioned.
11. Profiles of the concerned faculty in terms of their qualifications and experience shall be provided by L & D Infotech and shall be agreed upon by SRTTC prior to start of training for a particular semester.
12. L & D Infotech should not depute faculty other than the ones approved by SRTTC.
13. Professional ethics, code of conduct and disciplinary approach shall be maintained by L & D Infotech faculty towards students at all the times. Any misbehaviour by L & D Infotech faculty shall attract immediate replacement of the concerned trainer.
14. Faculty from L & D Infotech may be evaluated by senior faculty from SRTTC in terms of delivery and contents of the sessions. Appropriate written feedback will be provided to L & D Infotech in case of improvement required. L & D Infotech will take necessary steps to ensure that corrective actions are taken.
15. L & D Infotech faculty will also be evaluated by students by way of “online” feedback mechanism and minimum expected feedback is 7 (on a scale of 10).
16. Both the Parties may address the issue of providing joint participation / completion certificates to the enrolled students after successful completion of the program.

Obligation of Work – SRTTC

1. SRTTC may receive information proprietary to ‘L & D Infotech’ and vice versa (the “Confidential Information”) in the course of performance of their obligations under this MOU. Confidential Information is not meant to include any information which (a) is publicly available (b) is rightfully received by SRTTC /L & D Infotech from third Parties without accompanying secrecy obligations; (c) is already in SRTTC / L & D Infotech possession and was lawfully received from sources other than L & D Infotech and Institute or (d) is independently developed by Institute/Wisdom Sprouts.
2. The two Parties understand and acknowledge that the Confidential Information is valuable and confidential and agrees that it will at all times be kept in trust, to be disclosed only to such persons as have a “need to know” the same for the effective implementation of this MOU and that it will only be used by the SRTTC/L & D Infotech for the benefit of others.
3. All information or correspondence including information shared with or exchanged by L & D Infotech the SRTTC or any of its employees, agents, officers, directors and contractors in connection with this MOU including all training materials, training content & methodologies, classroom & trainer notes, assessment tests etc. will be the sole and absolute property of L & D Infotech including intellectual property and proprietary rights.
4. Either Party shall not use logos, trademarks, trade name or intellectual property of other Party for any other purpose as enshrined under this MOU without prior written approval from other Party. SRTTC agrees and confirms that during the term of this engagement and for a minimum period of twenty four (24) months after termination or expiration for any reason of this agreement, shall not engage, directly or indirectly, or assist any other party in hiring any person employed or hired as an employee by L & D Infotech, who is directly or indirectly associated with the project.

❖ **Project Competition/ HACKATHON Competition**

Memorandum of Understanding

This Memorandum of Understanding is hereby executed on 1st Aug, 2022 between Anudip Foundation for Social Welfare, having its head office at Mira Towers, 8th & 9th floor, Block: DN 27, Sec-V, Salt Lake City, Kolkata-700091

Represented Through:

Mr. Tanmay Mukherjee, VP- Operations, Anudip Foundation Authorized Signatory In One Part And Suman Ramesh Tulsiani Technical Campus-Faculty of Engineering At Post: Khamshet, near Suman Ramesh Tulsiani International School, Pune, Maharashtra 410405.

Background of Anudip Foundation:

Anudip Foundation for Social Welfare, set up in 2007, is a Section 8 non-profit company as per Companies Act, 2013 having its head office at Mira Towers, 8th & 9th floor, Block: DN 27, Sec-V, Salt Lake City, Kolkata-700091, Anudip creates livelihood opportunities for marginalized women and youth of India.

Over the past 15 years Anudip has worked with international and national agencies, government units, corporations and community based organizations to offer sustainable livelihood programs for disadvantaged groups residing in the rural and semi-urban West Bengal, Odisha, Jharkhand, Andhra Pradesh, Telangana, Tamil Nadu, Rajasthan, Maharashtra, North East and Delhi. Anudip aims at improving the socioeconomic status of these people and locality by developing their employability and entrepreneurial skills for IT-enabled jobs and businesses.

Background of Suman Ramesh Tulsiani Technical Campus-Faculty of Engineering:

Suman Ramesh Tulsiani Technical Campus - Faculty of Engineering (SRTTC) was established in 2012 by Suman Ramesh Tulsiani Charitable Trust (SRTCT), Mumbai, Maharashtra, in order to produce engineering graduates capable of accepting challenges in the new environment of technical advancements. It was formally inaugurated by Prof. (Dr.) Snehalata Deshmukh, Vice-chancellor, Mumbai University. During past six years SRTTC has developed into an institute recognized amongst few top ranking engineering colleges in Pune, Maharashtra, India and is certified as ISO 9001:2015 certified institute and also Accredited by NAAC with 'B+' Grade. It is Approved by AICTE and DTE Maharashtra, Affiliated to S.P.U. and M.S.B.T.E

Training Methodology:

Anudip's digital livelihoods program follows a technology-driven, blended learning methodology that has evolved based on employer and student feedback, team evaluation, and impact studies conducted externally and internally. Anudip team continuously tries to align with changing job markets, digital trends, employer demand, and the state of the training technology worldwide. Anudip utilizes its multimedia and game based learning programs which allows them to retain the learnings more effectively. This industry-aligned digital skills training program will train these youth through customized and digitized multimedia content in video, audio, presentation, and game formats, which will enable students to be attracted to and enjoy their classroom experience on a Pilot Basis for onwards successful placement. This Project is sponsored by ACCENTURE & Implemented by Anudip Foundation. After completing the training, students will get a chance to place with MNCs. Anudip foundation will Provide 100% Placement Assistance.

Curriculum:

The sector-specific job-oriented skills require special curriculum built to enhance students' employability skills. Anudip's curriculum team works at developing and adding new components to the customized curriculum based on the market demand and job requirement.

These are the list of courses offered:

- Advanced Program in Java Web Programming (4 months duration)
Eligibility : IT Graduate

Class Schedule:

Anudip would impart training to each batch of students as per the mutual consent of Suman Ramesh Tulsiani Technical Campus-Faculty of Engineering. Total training period for each batch of students would be according to the course opted by the student.

Course Fees:

Course fees will be Rs.1000/- (Rs. One Thousand only) per student per Course and will not collect any other extra Charges. The course fees will not be revised during the period in which the MOU is enforceable. Anudip shall issue a money receipt of each candidates against the fees paid.

Anudip Foundation for Social Welfare
