Dear Hrushikesh Dattatray:

Re: University ID: 2000915402

Congratulations! It is my pleasure to inform you that you have been granted admission to the Luddy School of Informatics, Computing, and Engineering's **Data Science MS Residential** program beginning in **Fall 2021**. The faculty are very excited at the prospect of having you in our graduate program. Our students have extraordinary opportunities such as internships, research, cultural programs, and global connections. We have an outstanding graduate program, and we hope you will accept our offer.

This offer is contingent upon **final approval** by the Office of International Services and the Dean of the University Graduate School. Your financial documentation must show satisfactory evidence that you now have or will have sufficient funds to finance your proposed program of study at Indiana University. **Your financial documentation must be uploaded in Atlas before the Office of International Services can process the appropriate visa eligibility certificate (Form I-20 or DS-2019)**. After the Office of International Services receives your financial documentation, they will process the appropriate visa eligibility certificate (Form I-20 or DS-2019) and will send you formal notification of admission along with the visa eligibility certificate.

We would like to receive your decision by **April 15, 2021**, which is in the spirit of the Council of Graduate School Resolution, which states that "students are under no obligation to respond to offers of financial support prior to April 15." If you decide to decline our offer, please let us know as soon as possible as we have more qualified applicants than positions.

Our offer **expires on April 15, 2021**. If you have any questions or need additional information, please contact [GoLuddy@iu.edu](mailto:GoLuddy@iu.edu). Once you have made your decision, please let us know by completing the **Luddy Fall 2021 Student Decision Form** at <https://go.iu.edu/3wVd>.

If you have any questions or need additional information, please contact [GoLuddy@iu.edu](mailto:GoLuddy@iu.edu).

We congratulate you on your academic achievements. We are very excited at the prospect of having you in our

graduate program, and we look forward to learning of your decision.
